

PICS II

Public Information and Communication Services

Period of Performance: 1 Base Year + 4 Option Years
(Effective December 17, 2018)

PICS II is multiple award IDIQ contracts that provide communication goods and support services on a task order basis to customers across all NIH ICs.

Benefits of Using PICS II

We brainstormed with the best and the brightest of the NIH community to create this contract in order to increase effectiveness and usability – we listened to your needs

Tired of creating everything from scratch? PICS II relieves the customer of the burden of executing a full contract, providing a simplified task order process

PICS II offers a comprehensive scope, which allows you to have a portfolio of services at your fingertips

Let us make your experience better - not only do you receive expertise in communication goods and services, but you can also fulfill your NIH Small Business requirement

We work with you on your acquisition timeline from release of the requirement to proposal deadline – so that your schedule is taken into consideration when making an award

How to Place an Order Against PICS II

1. The IC customer and its COAC create a Task Order Request Package (TORP) using the TORP Form accessible from the PICS II website.
2. The Task Order CO routes the TORP to the PICS II Program Support Team via email for review and release to contractors.
3. Contractors submit questions and proposals via email.
4. IC customer and its COAC review proposals and select the Awardee.
5. The Task Order CO processes the award and the PICS II CO emails the award to the Awardee.
